

Instructions for Using FTP to Submit Simulations.
May 9, 2007

We have created a directory called dmip2 in pub/incoming. So people will upload to <ftp://hydrology.nws.noaa.gov/pub/incoming/dmip2> .

Login: anonymous
Passwd: your email

Note: You will NOT be able to list the files in this directory, so assume that your ftp is successful. Notify michael.smith@noaa.gov that you ftp'ed your files and we will confirm your submission.
